

You can also get involved by attending a prayer vigil across from the abortion facility in Mississauga.

The prayer vigil is a peaceful and educational presence. Those who are called to stand witness during vigil send a powerful message to the community about the Tragic reality of abortion. It also serves a call to repentance for those who patronize the facility. To find a location where a prayer vigil is occurring, visit our website www.40daysforlife.com/mississauga

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.”

[2 Chronicles 7:14]

The Campaign

40 Day for Life is a community-based campaign that draws attention to the evil of abortion through the use of a three-point program:

- Prayer and fasting
- Prayer vigil
- Community outreach

40 Days for Life takes a determined, peaceful approach to showing local communities the consequences of abortion in their own neighbourhoods, for their own friends and families. It puts into action a desire to cooperate with God in the carrying out of His plan for the end of abortion in Canada.

The 40-day campaign parallels Biblical history, where God used 40-day periods to transform individuals, communities ... and the entire world. From Noah in the flood to Moses on the mountain to the disciples after Christ's resurrection, it is clear that God sees the transformative value of His people accepting and meeting a 40-day challenge.

The Key Components

Prayer and fasting:

Christ told us that some demons can only be driven out by prayer and fasting. The two go hand-in-hand. Prayer keeps us rooted in the fact that it is our desire to carry out God's will. Fasting is a sacrifice that helps us reach beyond our own limitations with God's help. Fasting is not a Christian diet; it is a form of physical prayer. You can fast from food, TV, alcohol ... anything that separates you from God.

Prayer vigil:

The most visible component of 40 Days for Life is a prayer vigil outside a place where children are aborted. It is a peaceful prayerful witness to the clinic's patients and employees, and to the entire community, that evil is in our midst and that with God's help, it will be defeated. Your presence is a sign to abortion victims, and all who pass by the site, that compassion and forgiveness abounds.

Community outreach:

Finally, you can be involved in community outreach. Invite your pastor to join you on your church's day and publicize the event to keep 40 Days for Life growing and effective in the pro-life movement. Tell your friends, family members, co-workers, fellow believers about the campaign. Encourage them to visit the website to learn more and get involved.

The Call

Being involved in the campaign against abortion is vital. The first step that everyone can take is to begin with prayer and fasting. You can pray at any time, on and off-site, during the campaign. Wherever you are or whatever you're doing, in and outside of Mass, pray to end abortion. And you can pray for God's guidance for those involved in prayer vigils and pro-life action around the country. To receive prayer requests during the campaign via email, visit us online at www.40daysforlife.com
